1. What is your name?

_____

(first) (last)

2. What is your address? Zip code?

_____

_____

3. What is your telephone number?

_____

Skill Objective: Giving mailing address and phone number
Teach or review the vocabulary used on these address forms. Demonstrate how zip codes and phone numbers are read. Practice reading the two labels with the class, then let volunteers dictate their addresses and phone numbers to their classmates. Write each address and phone number on the board, so that students can correct their writing. If you wish, have students answer the questions orally before assigning this page for independent work.
